How to Make Investment Changes Online

α To Change How New Contributions are Invested

- Step 1 – Click on Custom Elections
- Step 2 – Enter the percentages for each fund (total 100%)
- Step 3 – Click on Submit Custom Elections

Note that this step only changes future contributions.

To invest your existing balance the same way, you must follow this next step

α To Change Your Existing Balances

- Step 1 – Click on Rebalance Account
- Step 2 – Enter the percentages for each fund (total 100%)
- Step 3 – Click on Submit Rebalance Request
